Our Show at St. John Fisher College has been anything but conventional however, I want to apologize to all those involved for the constant changes and thank you for your patience.

When new people take over positions that we have no control over, we have to abide by their rules, as this was the case for this show. I believe **Sylvie Culbertson** and **Ann Limbeck** deserve HUGE medals for all their hard work and the constant updates they had to keep sending out to keep members posted on all of the changes that occurred on a daily basis. It's actually amazing we got the show up and running!

But, we all worked through it and it's a very nice show. The sale was hung nicely as well. Thank you for your participation. Thank you to all the volunteers that helped out. Much comradery was shared on these nights.

We have decided that a new place to have a Fall show is needed next year.

A BIG 'Thank you' also' to **Liz Sciortino** for her hard work in bring together the annual Winter Show and Sale at the Pittsford Federal Credit Union/Mendon Branch.

If anyone has ideas where we could hold a Fall Show, please bring them to the attention of the Board. It's getting harder and harder to find a place without too many rules and regulations, that makes it equally hard to even have a show.

**Have a wonderful Holiday** everyone and see you at the **Critique/Takedown** – **this Friday, December 21<sup>st</sup> at 6:30pm.**

Margie Mitchell  
Co-President

Our next meeting is **January 3rd** at 7:00pm in the Spiegel Building, 35  
Lincoln Ave. Room 19.

**Lynne Feldman** will be our presenter.

She will be focusing on collages.

Her paintings, prints, collages and illustrations have been exhibited in museums, galleries and public spaces throughout the country.

You can catch a preview of her work here: <http://lynnefeldman.com/>

## A new policy!

Guests are more than welcome and encouraged to join us at our monthly meetings, to hear and see what's going on, and to watch our wonderful demonstrators. To help with rising costs it would be appreciated if a \$5.00 donation was made to the group. If the guest would like to join our group their donation may be applied to their joining fee.

names of anyone you  
would like to see, or if you  
would like to demonstrate  
yourself.

Would anyone be interested in using the new room in the Spiegel Building to get together and paint. We are looking into using this room once a month or once a week in the evening if possible. Let any of the board members know and we will be happy to pursue this idea!

## Kathy Armstrong

Local artist, Kathy Armstrong is a multi-medium artist, versed in watercolor, acrylic and oil paints. As our November presenter, Kathy brought in many beautiful examples of her watercolor paintings and set up her laptop to scroll through examples of her paintings, including her Trumansburg Creek mural. Her watercolor technique involves laying down many layers of transparent glazes, and primarily using the paper for white. She provided a step by step glazing example and spoke of classes she offers.

For more information on Kathy's  
classes, check out her website:

The Pittsford Art Group tries to provide venues in which the members can show work, sell work and be awarded accolades for their hard and professional work. The PAG will offer one judged show this year. Our fall show and sale will be at Saint John Fisher, a judged spring show at Barnes and Noble, along with a "Winter Show" and sale at the Pittsford Credit Union. We have monthly professional, artist, demonstrators and a new updated room at the Paul Spiegel Building Center on 35 Lincoln Ave in the village of Pittsford. Many of our seasoned members can offer guidance to our newer members and there are directions for any job available. We have continual venues in our community and many new opportunities pop up from time to time. Many competitions and classes are forwarded throughout the year, as well as notices in our newsletter. Please be generous with your time. You will find friendly help and new friends. The success of our group depends on the willingness of its' members to keep things going. Please check our website for more of a complete description and information.

To help defray the cost of cards for Sunshine, the board thought it would be nice if members, who have cards of their work, might like to donate a couple. Sunshine cards with a colleagues work would mean so much more. Please give your cards to Sylvia Ball.
