

Pittsford Art Group

NEWSLETTER - November 2022

A Message from the President

The Pittsford Federal Credit Union show/sale will be set up with the intention of selling work for holiday gift giving. I am pleased with the responses I have received and am looking forward to seeing all of your paintings. Please drop off your artwork between 9am and noon so we have time to hang the show and be done by 2pm. I do appreciate all that are participating. A huge thank you to Ann Limbeck and her husband for picking up the boards.

We are seriously looking for a member to be our publicity person. We have missed several opportunities to have the public know what PAG is doing. We do have announcements on our website, but the public needs to go there to view them. With a publicity person there are several places we could publicize our events on a monthly basis and on our Facebook page. We are looking for someone with a gift for writing up a short bio for the group and then following through to post monthly. Even a short note about upcoming shows or our monthly presenter or where our Artists are showing their work.

I know that everyone is busy but in order for us to continue we must grow. We would also like to get our name out there for new members to see our work and join the group. It always surprises me when people say, "Oh, I didn't know you were here!" We celebrated 50 years a few years back. Please consider this position.

November 2022 Guest Artist - Sandy Dombrowski

Sandy Dombrowski provided some real-time 'face scribbling' as she calls it.

"In the morning after breakfast there was the newspaper and it used to have empty sections and there was nothing on it and I would grab off a piece and I would doodle all over the place scribbling. And then I would find a face in that scribble, I see faces everywhere. I know there are lots of people in this room who see them too. I was telling Betsy right now in my bathroom there are two men's faces on the tile!"
